Originally listed for 375.000 €, and recently reduced to 310.000 €, fantastic south west facing semi detached villa inside a small gated and peaceful complex in Riviera del Sol. The tastefully decorated property boasts nice terraces, as well as its own private garden, downstairs cloakroom and is a short walk to the golf course, the amenities and the beach. This corner family home has its own parking space. It is a great place to enjoy the Costa del Sol with a good rental potential. Recommended!
