Nice independent villa ten minutes from the city center, very quiet area and at the same time with quick access to the circulation, five minutes from pharmacies, schools and other services to make your day more comfortable. This beautiful property consists of three floors and divided into two completely independent houses. The first with direct access at street level with a cozy living room that welcomes us to the ground floor where we discover a large living room with terrace and unobstructed views, a bedroom with built-in wardrobe, bathroom, laundry and storage and kitchen with some Stunning views of the city. Going up the stairs we reach the rest that gives access to the 4 large bedrooms and fitted wardrobes, three bathrooms one of them en suite in the main room. On the other hand, the second house is located on the lower floor with totally independent access with three bedrooms, the main one with dressing room. Nordic style kitchen, laundry room dining room and two bathrooms. Completely renovated. All this surrounded by a large garden, private pool, barbecue area, storage room and garage Do not hesitate to visit it, you will want to live in it !!!RCC
